Welcome to Low Country Physical Therapy,

Your appointment is scheduled on ______________________ ____/ ___/ ___ at ____:____AM/PM.

It is the mission of Low Country Physical Therapy and its staff to provide therapeutic and restorative services to patients for the rehabilitation of injured, disabled, or sick; to assist each patient in reaching his/her maximum performance so he/she may resume his/her rightful place in the society while learning to live within the limits of his/her capabilities. Low Country Physical Therapy shall provide state-of-the-art health care that strives to significantly improve the well being of each patient, while recognizing their capacity of being responsible for their own health.

All patient co-pays and balances are due prior to treatment. We accept the following forms of payment: cash, check, Visa, MasterCard, Discover, and American Express.

Enclosed you will find your new patient paperwork you will need to complete in blue or black ink only, and bring with you the day of your appointment. Make sure you also bring the following items:

1. **Driver's license**
2. **Insurance card(s)**
3. **A current list of medications including anything that is over the counter with the milligrams, how many times a day you take each one, how each one is taken, and the reason you are taking each medication**.

If your physician has given you the script for your therapy, it is necessary for you to bring this with you as well, as some insurance companies will not allow us to treat you without it.

You should wear something comfortable so the therapist will be able to access the individual body part(s) necessary for your treatment. We have included a map with directions on the back of this page. If you have any questions please call us at (843)651-6565 or (843)314-3980.

We look forward to treating you and helping you reach the goals set forth by you, your physician, and your therapist.

Thank you,
Low Country Physical Therapy
